STATE ELEMENTARY CHESS CHAMPIONSHIPS

We forgot to tell you earlier about our top results at the recent state-wide competition, with approximately 1500 participants. **J.C. Mies** placed **3rd** in 6th grade, and **Alex Buntaran** earned **8th** place in 1st grade. Way to go!

NOTE FROM PASTOR RAY Hard to believe this Father's Day is my one year anniversary at CrossPointe. A big part of my following God to Bothell was the opportunity to partner with a school in reaching families for Christ. What a blessing it has been and continues to be, that I can experience and be part of building the Kingdom in the East Seattle area. Thank you for allowing me to lead, for forgiving when I have failed, and for encouraging when life has presented difficulties. I am grateful to be shoulder to shoulder with our HCA staff, students and families.

Here we go for next year! See you around campus.
Until the nets are full, Ray

Wow! Field Day at HCA was awesome and our God showed how great He is. I would like to say thank you so much to all of our volunteers. It was a pleasure working with and getting to know all of you. You each did such an amazing job and made this day a success for our kids. As we begin summer with our kids I found a great verse to encourage them to memorize and live out in their lives. 1 Timothy 4:12 says "Don't let anyone think less of you because you are young. Be an example to all believers in what you say, in the way you live, in your love, your faith, and your purity."

I had so much fun and am already excited for field day 2011! Have a wonderful summer.

Thank you,
Cassie Noel
